
GOODSTONE

Inn & Restaurant

Enhanced Health & Safety Protocols

Goodstone's most important consideration is the health and well-being of our community, and as the COVID-19 situation evolves, we continue to update our policies and procedures with guidance from the Centers for Disease Control and Prevention (CDC) and the World Health Organization (WHO). We have taken every step possible to ensure your safety, from check-in to check-out, including the addition of rigorous cleaning protocols, increasing the frequency of cleaning, and placing hand sanitizing stations throughout the property.

Steps we are taking for safe daily operations: HOTEL

- Hand sanitizing stations available throughout the property
- Only one reservation is accepted per cottage so no communal spaces are shared
- Touch free self check in is available upon request with advanced notice, wherein your key is sanitized and in the door upon arrival
- Housekeeping items may be delivered to door, without entering accommodations, upon request

DINING

- Indoor seated dining is available in Conservatory dining room
- Reservations and advanced ordering are required via phone
- All meals for overnight guests offered in dining room or via carry out delivery,

For further questions, please contact the inn & restaurant directly at: 540.687.3333
